

Transit Agency Customers

Face coverings - California requires people in the state to wear face coverings outside of their homes.

Properly worn face coverings are mandatory.

Physical distancing - The World Health Organization and multiple European transportation agencies are using a 1 meter (approximately 3 feet) minimum requirement for physical distancing when face coverings are worn.

Give others space to keep everyone healthy. Plan your trip and avoid crowded vehicles.

Keep hands clean - Frequent hand washing can help minimize the spread of COVID-19.

Wash hands before and after your trip. Carry hand sanitizer with you.

A quiet ride - Talking, singing, and other verbal activities increase the risk of COVID-19 transmission.

Reduce the spread – minimize talking when possible.

Cleanliness - Cleaning and disinfecting surfaces reduces possible COVID-19 transmission. Vehicles and facilities are cleaned and disinfected frequently.

We're frequently cleaning and disinfecting our vehicles, stations, workspaces, and high-touch areas to keep everyone healthy.

Ventilation - Increased air flow can provide for a safer environment for customers and employees in the transit.

We're keeping the air flowing to help keep everyone healthy.

Touchless fares - Minimizing of cash for fares helps reduce risk of COVID-19 transmission.

Using electronic payment can help reduce the spread of COVID-19. Please check with your provider for details.

Testing - Keeping everyone safe and healthy is a priority.

Don't ride if you are sick. If you feel you have been exposed to COVID-19, get tested. Contact your health provider or local public health department.

Personal protective equipment (PPE) -

PPE is inclusive of face coverings, face shields, and gloves. Per CA requirement, face coverings are required for all in a workplace setting. PPE requirements may differ for employees based on job category.

We're providing employee protective equipment and modifications to protect our employees and keep passengers healthy.

Transit Agency Employees

Employee wellness assessments - Assessing employee wellness is part of evaluating fitness for duty during the COVID-19 pandemic.

Agencies have employee wellness assessments in place to protect our employees and passengers.

Testing - Public transit workers are deemed essential and have been given priority testing. We encourage testing of employees who have symptoms or think they may have been exposed to COVID-19.

Don't come to work if you are sick. If you feel you have been exposed to COVID-19, get tested. Contact your healthcare provider or local public health department.

Personal protective equipment (PPE) -

PPE is inclusive of face coverings, face shields, and gloves. Per CA requirement, face coverings are required for all in a work place setting. PPE requirements may differ for employees based on job category.

We're providing PPE such as face coverings, face shields, and gloves to our employees. PPE requirements may differ based on job category.

Paratransit Agency Customers

Face coverings - California requires people in the state to wear face coverings outside of their homes.

Properly worn face coverings are mandatory.

Physical distancing - The World Health Organization and multiple European transportation agencies are using a 1 meter (approximately 3 feet) minimum requirement for physical distancing when face coverings are worn.

Give others space to keep everyone healthy.

Touchless fares - Minimizing of cash for fares helps reduce risk of COVID-19 transmission.

Using electronic payment can help reduce the spread of COVID-19. Please check with your provider for details.

Contact tracing - If an employee reports an infection or possible contact with an infected person, transit providers should maintain records of what other employees may have come into contact. Transit agencies should report any confirmed infections to the appropriate public health agency.

We have an employee contact tracing program in place to keep our employees safe and healthy.
