

Together Let's Keep Our Community Safe!

CITY COACH

When riding Vacaville City Coach, we ask riders to:

- *Stay six feet apart from the bus operators and fellow riders while boarding and riding the bus.*
- *Board at the rear doors on the buses. Those who need assistance from the ramp may board at the front doors, please signal the operator.*
- *The CDC is recommending the use of masks or simple cloth face coverings to slow the spread of the virus.*

Drivers may enforce reduced capacity on the buses for the safety of other riders.

Customers showing flu-like symptoms may be denied boarding to safeguard the health of our operators and other riders.

Fare collection on all City Coach buses remains suspended.

City Coach continues to take extra measures to deep clean buses and transit centers daily, while closely monitoring the COVID-19 response from public health authorities.

All actions taken by City Coach are done with the health and safety of City Coach riders, operators, mechanics and employees in mind.

Please continue to check CityCoach.com prior to traveling for updates. Please also continue to refer to State and County Public Health sites for updated information pertaining to COVID19.

Thank you for your patience during this difficult time.

STAY SAFE

COVID-19
